

**Science Pathway**

- 3 credits of science required for graduation
- 4 or more credits encouraged for 4-year college path
- 4 years, of appropriate sciences, required for SD Opportunity Scholarship

9th Grade

Physical Science

10th Grade

Biology

A 2nd science class is allowed (such as Chemistry) with Teacher Approval

11th Grade

Students can take more than one science course

If Planning on 4-year college -> SHOULD take Chemistry in high school; Honors Chemistry is strongly encouraged

Anatomy

Bio-Tech

Chemistry

Earth/Space

Honors Chemistry  
(\*Must take for AP Chem)

SD Wildlife/Sust Science

Physics

Vet Science

12th Grade

Students can take more than one science course

Anatomy

AP Chemistry  
(\*Prerequisite = Honors Chem)

Earth/Space

Bio-Tech

Chemistry

Vet Science

SD Wildlife/Sust Science

Physics
